

Dear Friend,

The Doc's Deepwood Run Foundation Committee would like to invite you to become a part of this event. We the Run Committee are excited about this year's event. Thanks to individuals and business people such as you, we have been able to directly impact and improve the lives of people with mental retardation and development disabilities. We would not be able to accomplish this task without the support of our local businesses and the individuals that have generously made donations of cash and/or products in support of this worth while event.

**A little about who we are.** The "Doc's Deepwood Run" is a non-profit organization. All monies derived from this event go to improve the quality of life for individuals with mental retardation and/or development disabilities.

Doc's Deepwood Run started as a compassionate idea by a Vietnam Veteran known simply as "Doc" in 1998, to help the mentally retarded and developmentally disabled clients of the Deepwood Center. When funding from the Lake County Board of Mental Retardation and Disabilities had been drastically reduced by a failed levy request that year. Since that date, "Doc's Deepwood Run" has evolved into an annual event with a well organize group of volunteers raising nearly \$155,000.00 for this cause.

**We are truly a family.**

We are now in the planning stages of the "12th Annual Doc's Deepwood Run". We hope that we may recognize you and/or your business as part of this worthy event.

**PLEASE REVIEW THE ATTACHED SPONSORSHIP OPPORTUNITIES AND BECOME A PART OF OUR FAMILY.**
